"KALAM KO SALAAM"
RASHTRIYA AAVISHKAR SAPTAH (RAS) -2020

Dear Parents,

To make learning of Science and Mathematics a joyful and meaningful activity; to nurture a spirit of inquiry and creativity; to bring focus on innovation and use of technology, Ministry of Education (MoE), Government of India have set up RashtriyaAvishkar Abhiyan (RAA).

Subsequently, **15th October to 21st October 2020 (October)** being the month of late Dr **APJ Abdul Kalam's birth anniversary** is declared as **"Rashtriya Aavishkar Saptah – 2020"**. During this week, all students at Upper primary, Secondary and Higher Secondary Stages, from each Zone across the country, will uniformly carry out a study involving experimentation as per the Guidelines developed by NCERT on the theme **"Water Auditing and Calculation of Carbon FootPrint"** to help in spreading a wave of awareness about the importance of wisely usage of water and lessen the emission of carbon in our country.

Consequently, four activities are designed:

- 1. Water Audit for Household Purposes (Class VI-VIII),**
- 2. Water Audit for Gardening (Class VI-VIII),**
- 3. Water Audit for Agricultural Crops (Class IX & X) and**
- 4. Calculation of Carbon Foot - Print (Class XI & XII).**

Students will submit activity through Google Classroom only.
